

## SCCE and DECC invites to Business Breakfast: EU Grants and Successful Applications

There are a number of EU Funds available for applications and at this Business Breakfast, jointly organized by the Swedish Chamber of Commerce in Estonia and the Danish-Estonian Chamber of Commerce, we will cover three important areas:

- An overview of available funds including alternatives beyond EAS and Kredex administrated funding
- Overview of EAS funds
- Practical tips for preparing funding applications

Our speakers this morning have a solid know how in this complex area and in addition to their addresses they will also be available for a Q&A session.
