

## Here we are. What's next?

**As the economical downturn levels out and signs of a recovery are becoming more and more visible, two crucial questions remains; Which are the lessons learned? What's next around the corner?**

Welcome to find out more and discuss the issues ahead at a Business Lunch jointly arranged by the Swedish Chamber of Commerce in Estonia and the Danish-Estonian Chamber of Commerce.

Our list of speakers includes **Dag Kirsebom** – co-owner and CEO of Media Menu and co-author of the book „Hard Landing“, the fairy tale of the rise and fall of the Estonian economy. **Alar Tamming** - founder and Chairman of the TAVID/TAVEX Group of companies, trading with currencies and investment gold in Estonia, Sweden, Latvia and Finland. **Lars Seier Christensen** - co-founder and co-CEO of Saxo Bank, a Danish online investment bank, and a frequent debater on economy, personal liberty rights, the Danish tax and welfare system and also known as a strong opponent of Denmark becoming a part of the Euro zone.

Our discussions will be moderated by **Gustaf Hertsius** – Group Leader of FICE's - the Foreign Investors' Council's in Estonia work group on Estonia's tax system.
