

Enterprise Estonia

Enterprise Estonia is a support organisation for Estonian entrepreneurship, providing financial products, advisory services, cooperation opportunities and training for entrepreneurs, research establishments, the public and the third sector. As an implementing unit of the European Union Structural Funds, Enterprise Estonia is the main provider of entrepreneur-oriented support and development programmes in Estonia.

Our export development team is looking for an

EXPORT ADVISOR

in Denmark

Duties of the Export Advisor:

- replying to the enquiries and consulting of Estonian exporters
- support to companies in establishing contacts with new customers
- support to companies in the organisation of marketing events
- mediation of sourcing requests of Danish importers to Estonian manufacturers

You are welcome to join our team if:

- you have a university degree
- in addition to the Danish language, you have good command of English. Knowledge of Estonian language is considered beneficial, but not essential
- you are an expert in the local business environment and can advise Estonian exporters upon entry to the market and in finding business partners
- you are positive, entrepreneurial, customer and result-oriented
- you are self-starter in your work, ready for frequent business trips

We offer:

- a chance to contribute to the export promotion of Estonian companies and cooperation between Denmark and Estonia
- an exciting and versatile job with business trips related to official duties
- opportunities for self-realisation and training and development
